MESSAGE FROM THE CBCF CHAIRMAN

The Congressional Black Caucus Foundation (CBCF) is pleased to present this Congressional Directory featuring members of the Congressional Black Caucus (CBC) serving in the 112th Congress.

The Foundation through its mission encourages civic involvement. This directory serves as a public education resource containing useful information concerning the CBC, committee assignments and contact information. This directory offers the reader a first step toward becoming actively engaged in the process of bringing about change.

CBCF will continue its role in providing programs and research focusing on health disparities, economic empowerment and financial literacy, home foreclosure prevention and other initiatives to rebuild our neighborhoods, strengthen our communities and make our country a nation that puts people first. It is through this work with everyday Americans as well as its highly-regarded intern, fellow and scholarship programs that the Foundation is able to develop leaders, inform policy and educate the public.

I encourage you to join us as we continue to unveil programs and to make a personal and collective commitment to promote civic engagement and positive change.

Sincerely,

Rep. Donald M. Payne
Chairman
Congressional Black Caucus Foundation

MESSAGE FROM THE CBCF PRESIDENT

The Congressional Black Caucus Foundation's (CBCF) core is based on developing leaders, informing policy and educating the public. It is with this mission that we have prepared this directory to provide a mechanism for obtaining important information about this Congress.

Established in 1976, CBCF works to help improve the socioeconomic circumstances of African Americans and other underserved communities. Our Leadership Institute of Public Service (LIPS) is unmatched in providing stellar and enriching internship and fellowship experiences. We can proudly point to LIPS participants currently working on Capitol Hill, in boardrooms and at non-profit institutions, making a difference in the lives of many. In addition, CBCF awards thousands of dollars in scholarships to deserving college and graduate students throughout the year.

Through our Annual Legislative Conference and district-level forums, we explore and educate Americans from every walk of life on public policy issues, health care advocacy and financial empowerment.

We hope that this directory will enhance your knowledge of the Foundation, the Congressional Black Caucus and the legislative process.

For more information on CBCF and its programs, please visit www.cbcfinc.org.

Sincerely,

Elsie L. Scott Ph.D.
President and CEO

MESSAGE FROM THE CBC CHAIRMAN

I bring you greetings on behalf of the 43 members of the Congressional Black Caucus (CBC) of the 112th Congress. I am humbled and honored that my colleagues have chosen me to serve as chair during these challenging, yet stimulating times.

As we celebrate 40 years of service to our nation, CBC has worked to ensure that all Americans, regardless of race, color or creed, have the chance to pursue and achieve the American dream. As such, we proudly wear the moniker “the conscience of the Congress.”

We began with 13 members. Today we have more than tripled in number, gender and geographic representation. Our members are in key leadership positions. In the 112th Congress, Rep. James Clyburn is the Assistant Democratic Leader. In addition, CBC founding member Rep. John Conyers, along with Reps. Elijah Cummings, Bennie G. Thompson, and Eddie Bernice Johnson, are Ranking Members on the House Judiciary, Oversight and Government Reform, Homeland Security, and Science, Space, and Technology Committees, respectively.

We are proud of our accomplishments. Yet we remain focused on our daily tasks of creating and maintaining economic opportunity, quality education, equitable health care and a strong nation. That is what is important to the American people. This directory will give constituents the information they need to keep their ideas and needs before us. The CBC looks forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to read "Emanuel Cleaver". The signature is fluid and cursive, with a large loop at the end.
