

2021 CBCF Swearing-In Ceremony

At the beginning of each congressional session, the Congressional Black Caucus Foundation, Inc. sponsors a ceremonial swearing-in event for the members of the Congressional Black Caucus (CBC). The ceremony provides an opportunity for the CBC to be sworn in before family members and constituents, heads of African American organizations and CBCF special guests.

The program will consist of greetings by the administration of the ceremonial Oath of Office, the installation of CBC Officers for the 117th Congress and remarks by the new CBC Chair. This year's historic number of CBC members and 50th anniversary of the CBC will also be highlighted and recognized.
